Today's agenda

1. REVIEW A2: EXPERIENCE PROTOTYPE

2. INTRODUCE A3: PROTOTYPING

3. FORM TEAMS

Three different roles

TECHNICAL LEAD = BLUE

DESIGN LEAD = GREEN

EVALUATION LEAD = RED

MAKE A NAME CARD FOR YOURSELF.

RECOMMENDED: FORM A RAINBOW TEAM IF YOU CAN.

A2 Debrief: Experience Prototyping

Each one has 30 seconds to debrief about your experience prototype.

One sentence I like/ I wish feedback.

You will be timed.

After everyone is done, find peers with similar ideas.

Discuss the inspiration board and competitive analysis table.

Self assessment

EVALUATE YOURSELVES BY THE SAME RUBRIC THAT WE GRADE BY.

GO TO GRADESCOPE AND SUBMIT YOUR RESPONSE THERE.

YOU HAVE 5 MINUTES TO FINISH.

Assignment 3

Step 1: Make a Team Point of View

Step 2: Create 3 Storyboards

Step 3: Build 2 Paper Parallel Prototypes

The paper prototypes are of the mobile web app you will develop

The prototype must be functional and complete in the interfacing (buttons and screens)

Strong correspondence between POV, storyboard and prototypes.

Choose the top two ideas out of the three
